I/we am a member of Amalgamated Prospectors and Leaseholders (APLA) Prospecting association, membership numbers are listed above. APLA members are covered by \$20m public liability Insurance while they are prospecting legally in WA.

I am/we are writing to ask for permission to use a metal detector on the following land of which you are the leaseholder.

Tengraph Tenement number (..Insert Tenement Number)

Or on your leases in this area. Locality_____

From 00/00/201 to 00/00/201

I/we respect all property that I metal detect upon and always leave the property in the same condition that I/we find them. I/we do not leave rubbish and in fact any rubbish I/we find with my metal detector I/we remove from the site.

Any areas where holes are dug to retrieve targets will be return to the lands original condition and I/we will not remove or destroy any vegetation where I/we prospect. The only recovery tools I/we use to find targets are a hand tools like a pick and shovel – I/we do not use machinery of any kind

In return for this permission;

- I/we will advise you the weight of any gold or type of material that is remove.
- I/we will provide GPS points on location where gold is found.
- I/we will provide costs and receipts aligned to your reporting requirements in the Form 5 Annual Report to the DMP.
- I/we will advise you of the dates and amount of time I spent on your leases.
- I/we will fulfill any conditions you attach to this permission.

This request has been emailed to you if you require a copy for your records I will post one to you. If you have any questions, please feel free to call me anytime. My phone number is _____. If it is possible an email approval reply would be very much appreciated.

Thank you so much for your consideration, and I'm looking forward to hearing from you.

Thank you

Yours Respectfully,
