

Quick View - Land and Mining Lease Types and Rules for Access

<i>Land Ownership Type</i>	<i>Mining Lease Type</i>	<i>Metal Detecting Rules</i>
Private Land	Granted Mining (M) or Prospecting (P) Tenement	Permission of Land owner and written permission of Tenement holder required.
	Granted Exploration (E) Tenement	Permission of Land Owner Required and Section 40e permit. NOTE you can EITHER get written permission of the Tenement holder or a Section 40e Permit.
	No (E), (M), Or (P), i.e. is Unpegged land. OR Pending (E), (M), Or (P),Licence	Permission of Land Owner Required
NOTES	See Private Land Provisions for application for permit to enter Private Land (Form 2)	It's better to get the permission of the land owner in our opinion.
Pastoral Leases	Granted Exploration (E) Tenement	Reasonable steps to Notify the Pastoral Leaseholder and Section 40E Agreement required. NOTE you can EITHER get written permission of the Tenement Holder or a Section 40e Permit.
	Granted Mining (M) or Prospecting (P)Tenement	Written Permission of Mining or Prospecting Tenement Holder Required, Reasonable steps to Notify the Pastoral Leaseholder
	NO - (E), (M), Or (P), i.e. is Unpegged land. OR Pending (E), (M), Or (P), Licence	Reasonable steps to Notify the Pastoral Leaseholder
NOTES	Prospecting on Pastoral Leases Pamphlet	It's all about Respect and Safety – make sure you communicate with the Pastoralist when you go onto their leases. Follow the link and read the Prospecting on Pastoral leases Pamphlet for other rules.
Crown Land subject to a lease for grazing and Timber	Granted Exploration (E) Licence	Prior notice to Leaseholder and Section 40E Agreement required
	Granted Mining (M) or Prospecting (P) Tenement	Written Permission of Mining or Prospecting Tenement Holder Required and prior notice to Leaseholder
	No - (E), (M), Or (P), i.e. is Unpegged land. OR Pending (E), (M), Or (P), Licence	Prior notice to Leaseholder
Unallocated or Vacant Crown Land not		No Permission Required

Quick View - Land and Mining Lease Types and Rules for Access

<i>Land Ownership Type</i>	<i>Mining Lease Type</i>	<i>Metal Detecting Rules</i>
Covered by a granted Mining tenement		
<ul style="list-style-type: none"> •National Parks, •Nature Reserves •Within Town sites •Classified reserves such as cemeteries •Aboriginal sites and heritage sites 	No Metal Detecting Allowed	
Native Title Land		<p>Permission must be obtained from the Native Title Owners.</p> <p>Depending on the type of mining lease that exists then the further permissions or section 40E agreement for exploration leases would apply.</p>
